“ *Dr. Cohn was my dentist some 45 years ago, when as a child I was absolutely petrified of my previous dentist. His kind and compassionate ways put me at ease and I remember his smile and humor vividly. Rest in peace sir!*

“ So many memories of sweet Dr. Cohn. I was his assistant for a few years at WADC. He taught me so much but mostly patience. I will always treasure our times together and all of the advice he gave me along the way, he was always there to show me the light during dark times. He will be missed dearly. My prayers and condolences to the Cohn family.
