

Rosalie Altshul

November 10, 1923 - August 24, 2021

Rosalie Altshul,

Age 97, nee Berenson. Predeceased by her husband, Philip, her siblings, Albert, Irving, Marilyn and Harry. Loving mother of Jeffrey (Marla), Debra (Brian Stark) and the late Dale (Val). Proud grandmother of Benjamin, Samantha, Jenna, Rhea, Ethan and Mira and great-grandmother to Ruby.

Rosalie's passion, determination, and independent streak helped her overcome steep obstacles to become a medical professional. Rosalie, who was born in Kenosha, WI, worked to earn enough money to put herself through school during a time when few women did so. She became the first female in her family to attend college, graduating from Marquette University with a degree in Nursing. She worked as a Director of Nurses with the majority of her career spent at the Jewish Home in Milwaukee. Even with her memory fading, Rosalie would proudly announce she was a Registered Nurse.

In addition to her devotion to her profession, Rosalie valued family above all else. She created a warm home for her children and grandchildren, who looked forward to holidays with her and Philip and knew she would always have delicious kugels and mandel bread cooking in the kitchen. On top of working full time, she was actively involved in the lives of her children including serving as Cub Scout, Brownie, and Girl Scout leaders. Rosalie was

also an amazing knitter, providing treasured sweaters and mittens for all family members and outfits for herself. She enjoyed experimenting with different handicrafts and socializing with friends over games of bridge or mahjong.

Rosalie was a supporter of a woman's right to determine her own fate and to control her own body. Private services. In lieu of flowers, please send donations to Planned Parenthood of Wisconsin, 302 N. Jackson Street, Milwaukee, WI 53202.

“ *I will miss and remember Rosalie with fondness. When I was a little girl, we were often delighted when we were visited by “Phool” and “Osidy”. I remember the yearly mother/daughter luncheons of the sorority with Rosalie and Debby. I only this summer learned Rosalie was my Aunt Frieda’s maid of honor when she and my mother married in a double ceremony. She will be missed.*
