“ Dr. Burchman was one of my instructors when I was in medical school in the 1980's. He was a mentor to me, and an inspiration! He even came to my wedding when I was a resident. I owe so much to him; he changed my life.

“ Dr. Burchman was a client of mine for years, in Lake Worth, Florida. He would come to get massages from me, and both he, and his wife, Hinda, were very precious to me. Every time they got to town, Hinda would tell him, “now you make sure and call Cathy straight away to book your massage. And make sure when you go, go wear those shorts she likes! I was very sorrowed when Hinda passed and just lost touch with Shelly. I decided to look him up and was very disappointed to learn he passed pretty recently. But I am glad he lived a long life, and I'm sure he contributed to the medical field for as long as he could! I miss them both! Godspeed, Shelly!
