“ *My deepest sympathies to the Resnicks. I will always remember Sheldon for giving me the chance to own my own home (condo). He allowed me to live in my condo for one year, with 100% of my rent money going toward a down payment. I finally had a place of my own, which I wouldn't have had without his kind offer. I am still happy here, after 20 some years. I will always appreciate his kindness!*
