

Sherri L Sieff

January 17, 1951 - September 13, 2017

Sieff, Sherri L

September 13, 2017, age 66, of Mequon. Loving daughter of Evelyn Clateman (Mequon). Dear sister of Robert Sieff (Roanoke, VA). She will be missed by many friends and colleagues.

Sherri graduated from Case Western Reserve (BS) and the University of Southern California (MA, PhD).

Sherri was a lifelong learner, a highly valued speech and language pathologist, educator, and mentor to her UWM students. She was particularly interested in the relationship between oral and written language and the role of the Speech and Language Pathologist in literacy education. She received the Outstanding Teacher Award from UWM in 2011 and earlier this year, she received the Wisconsin Speech and Hearing Association Lifetime Achievement Award.

Private services were held. Memorials should be sent to University of Wisconsin, Milwaukee, Speech and Language Dept., Enderis 875, PO Box 413, Milwaukee WI 53201.

“ *I send my deepest condolences and appreciation to Sherri's family. I worked with Sherri and the UWM Children's Center for many years. Through the years we formed not only a partnership on campus but a friendship. She contributed greatly to the UWM Children's Learning Center through her work with the children, UWM Children's Center staff and families. She will not be forgotten. Anne Claffey*
