Bill was my brother in law and yet he was a brother to me. After my husband died, Nancy died of pancreatic cancer, bill suggested we go on a uniworld trip to China. This started our river cruises together. I would never have done this by myself. We took 7 or 8 trips and I'm so glad we had all the adventure together. Sometimes it was finding ice cream, hot chocolate, or new friends. I am so thankful for him for making all the plans . They were amazing times. His sense of humor, our laughter and his looking out for me- he was the best, I am missing him already. Rest In Peace Bill. We will continue to watch the Badgers for you.

My deepest sympathy to the family, we just realized of Bill's passing. Bill worked for my print company "Pressing On" for about 18 years. We learned to love his dry sense of humor. He will be truly missed. He and Nancy were awesome friends and Bill was always willing to fill in when we had an emergency. We listened to sports radio with Bill every morning. When Bill learned of Nancy's sickness, he decided to leave work, to be with her, but would stop by regularly to say hi, we missed saying good-by so good by for now Bill, whenever I watch the Badger Football game will be thinking of you.
